

REMARKS

The Notice to Comply with the Sequence Rules requested that a Sequence Listing be provided to comply with the requirements of 37 CFR §1.821-1.825.

Accordingly, this amendment includes a paper copy of the Sequence Listing (Exhibit 1), a diskette containing the Sequence Listing in computer readable form (Exhibit 2), and a statement under 37 C.F.R. §1.825(b) or §1.825(d) (Exhibit 3) that the paper copy of the Sequence Listing and the computer readable Sequence Listing are identical.

Please insert the Sequence Listing after page 35 of the specification of the application and before the claims.

The amendments to the specification and claims presented herein are made in order to assign Sequence ID NOs to the appropriate sequences. As these amendments do not introduce any new matter into the application, entry of the amendments and of the paper copy of the substitute Sequence Listing are respectfully requested.

Respectfully submitted,

BIERMAN, MUSERLIAN AND LUCAS, L.L.P.

Dated: March 12, 1999
